

Proppy

Your property marketplace

Meet Proppy, the revolutionary new online platform for buying and selling property that will save you a truckload of time and money!

VAUNT NZ LTD., LICENSED REAL ESTATE AGENT (REAA 2008)

We're an accredited real estate agency, and do the same job as an agent, but it's done a whole lot smarter - on a reliable and secure web platform.

This means you can buy and sell a property from the deckchair, on the sofa, in your slippers, 24/7 - wherever you have access to the internet.

Everything is at your fingertips - professional valuations, building reports, floor plans & photos to actually bidding and buying online.

Proppy supports buyers and sellers to have total control over the whole process.

Jump online and check us out, you'd be foolish not to... and the best bit, just 1.5% + GST commission.
